

NEW **Convotherm[®] mini**

To celebrate the launch of the all new Convotherm mini,
FREE! cleaning chemicals with every purchase now until December 31, 2019.

What's new?

- Refreshed exterior, including optional black matte finish – perfect for front of house
- Smaller footprint (6.10) - Now only 33 inches deep
- Safe Cool Down – no need to open the door for cool down
- Additional cleaning cycles – 10 minute express cleaning, 2 minute rinse, new care step
- Steam Protect – automatic dehumidification means less steam during door opening
- Improved cooking compensation – add trays during a cook cycle with perfect results
- Integrated ventless hood by Halton – activates only upon door opening, saving energy & reducing noise vs competitive hoods
- Additional service panel – for greater serviceability, even when hood is installed
